Regulation 30 of the Securities and Exchange Board of India (Listing

Obligations and Disclosure Requirements) Regulations, 2015

Subject: General update

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that on 1 September 2025, the Company has received confirmation from PFC Consulting Limited (PFCCL), the bid coordinator, that successful bidders may exit from the LoA without any penalty and collect their Earnest Money Deposit (EMD).

PFCCL has communicated that the above decision has been taken on account of (i) the Ministry of Power's order dated 21 January 2025 making participation in the Flexibility Scheme voluntary, and (ii) a writ petition filed before the Hon'ble Delhi High Court by West Bengal State Electricity Distribution Company Limited (WBSEDCL) challenging provisions of the scheme, which remains sub judice.

As previously disclosed, Letter of Award was awarded on 6th February 2024 ("LoA") for a 300 MW solar project at a tariff of INR 2.53/kWh under the Flexibility Scheme, proposed to be developed through ACME Sigma Urja Private Limited as the project SPV. Flexibility Scheme, issued on 12 April 2022, aimed for flexibility in generation and scheduling of thermal/hydro power stations by bundling with renewable and storage energy.

The project is generating no revenue or profitability currently, therefore, there is no material impact on the Company's current financial performance or profitability.

You are requested to take the same on your record.

Thanking you,

For ACME Solar Holdings Limited

Rajesh Sodhi **Company Secretary and Compliance Officer**
